Re: **Freedom of Information Act ("FOIA") Request**  
**Rosemont Copper Company**

Dear Sir or Madam:

This firm represents Rosemont Copper Company ("Rosemont"). On behalf of Rosemont, we request that the United States Environmental Protection Agency ("EPA") provide the following records pursuant to the Freedom of Information Act, 5 U.S.C. 552:

- Copies of each and every written, electronic, and recorded internal or external communication from November 9, 2016 through the date of receipt of this letter that concerns or relates to Rosemont's proposed open pit mine in Pima County, Arizona; and
- Copies of each and every record that concerns or relates to Rosemont's proposed open pit mine in Pima County, Arizona that the EPA created or received from November 9, 2016 through the date of receipt of this letter. As you know, we served a previous request on the EPA in March 2018, Activity Number EPA-R9-2018-005351 (the "March FOIA"). To the extent that responsive records were produced in response to the March FOIA and have not been materially edited or changed, they need not be produced again.

We will pay up to \$500 for document search, duplication, and review. We can make advance payment if required. Should the expected cost exceed \$500, please notify me before exceeding this limit.

In order to simplify the process and reduce costs, we request that you provide us with electronic copies of the requested documents on cloud storage, CD, DVD, or USB drive.
